

February 5, 2021

Good Afternoon –

We have good news...Given lower COVID-19 numbers in our county, as well as improving COVID hospitalization numbers, we are able to advance Linden Estate to CMS Phase 2 Re-Opening status effective today 2/5/2021.

- Essentially, that means outdoor and indoor visits are allowed, depending on if we can meet safety standards such as social distancing.
- If you would like to consider an indoor visit on the Linden enclosed porch/room with your loved one, please contact me to discuss whether we would be able to meet the safety criteria. (Crystal's cell: 309-361-9060)
- We are headed in the right direction toward Spring where temperatures will be moderating again for outdoor visits.
- You may continue taking your loved one for unrestricted home visits for 90 days after they tested positive for COVID.

We'll be back in touch in the next couple of weeks when we consider next steps / home visits following the 90 day mark of when most residents had COVID.

Other news...residents returned to TCRC facility February 1st and are doing well. Preparation has been made for the first vaccine clinic coming up this Tuesday February 9th.

If you have questions, please give us a call. Thank you!

Sincerely,

*Crystal Streitmatter*
