

February 5, 2021

Greetings to all!

We have good news....Given lower COVID-19 numbers in our county, as well as improving COVID hospitalization numbers, we are able to advance Oakwood Estate to CMS Phase 2 Re-Opening status effective today 2/5/2021.

- Essentially, that means outdoor and indoor visits are allowed, providing we can meet safety standards such as social distancing.
- Just a reminder - you may continue taking your loved one for unrestricted home visits for 90 days after they tested positive for COVID.

We are making preparations for an indoor visit area on the Oakwood porch. We'll be back in touch the first part of next week with instructions and protocols for indoor visits per the IDPH re-opening guidance.

Other news...residents returned to TCRC facility February 1st and are doing well. Preparation has been made for the first vaccine clinic coming up this Tuesday February 9th. If you have questions, please give us a call. Stay warm!

Sincerely,

Crystal Streitmatter
