

December 15, 2020

Timber Ridge Families and Guardians,

As of today (Tuesday, December 15th) we now have fifteen residents who have tested positive for COVID-19. We are thankful that so far their symptoms are all manageable at Timber Ridge.

We plan to retest all negative residents again on Thursday morning, and we will continue to test any individual immediately if they begin to exhibit any COVID-like symptoms.

We have set up a COVID unit on each end of the building for residents who have tested positive where isolation precautions are in place to help prevent further spread.

We will continue to do our best to keep your loved ones safe and in good spirits. Tomorrow we are looking forward to window visits from Santa and his friends, and staff are spending as much one on one time with residents as possible in order to keep spirits up.

Thank you for your continued patience and prayers!

Darrell Stoller
Timber Ridge Administrator
